Travel Insurance

Travel insurance protection is highly recommended in order to protect you, your trip, and your travel investment. Travel suppliers, airline carriers, or travel agencies do not compensate any of your unforeseen expenses in the event of cancellation or failure to make your trip (missed flights, cruises, etc.), lost baggage, loss of health, death and/or accidents or emergency evacuation due to illness, natural disasters or acts of terrorism BUT TRAVEL INSURANCE DOES! Should you decide not to purchase travel insurance, you must sign a travel insurance waiver and assume sole financial liability for all direct and indirect consequences and costs resulting from events occurring before or during the trip. Insurance costs are non-refundable.

PAYMENTS

Final payment is required no less than 30-45 days prior to departure unless otherwise stated. Some airfares or services must be paid in full at the time of booking. Dash With Ash LLC accepts debit card or credit cards (AMEX, Visa, MasterCard, or Discover). FAQS

- **How do you get paid?**
 - I receive payment via supplier commissions, which are included in all travel packages, including those available online. These commissions don't increase the overall cost of your trip. Through my supplier relationships, I can offer you the best possible pricing and occasionally provide perks or upgrades when they are available.
- **What are your service charges?**
 - We charge \$25 for our planning fees and have additional costs that can be accrued based on your travel quotes. These fees are non-refundable and non-transferable, and they must be paid before research and planning commence. The trip fee covers research, planning, and quote preparation. Our clients often find that the added value to their travels easily outweighs this cost.
- **How far in advance should I book my trip?**
 - Start planning your trip as early as possible. The earlier you plan, the better. Planning your trip ahead of time not only gives you time, it affords you the opportunity to secure flexible payment plan options.
- **Can I schedule a consultation call with you before submitting an inquiry?**
 - *Of course! We're here to answer any questions you may have pertaining to process.*
- **Do I need a passport?**
 - Yes, a passport is needed for all international destinations. Passports are required to remain up to date and cannot expire within 6 months of your travel date.
- **Do you book airfare only?**
 - No, unfortunately I do not book airfare only.
- **Can I book my own airfare?**
 - Of course! We understand you may have specific preferences, so you are able to book your own airfare.
- **Why should I book with Dash With Ash?**
 - Efficient use of time, additional benefits, expert knowledge, and assurance.
